

Welcome to Year 6!

Hello Japan! This is Mr Hurdle writing to you from New Zealand.  I was thrilled to hear that you will all be in my class (again!) in September! It is going to be a year of fun, learning and lots of adventures! I cannot wait to see what your final year at Clockhouse year has in store for us!

I have taught in Year 2, Year 3, Year 5 and Year 6, where we will all be together next year and I know that you are all going to love it! I enjoy teaching all subjects, though maths, science and art are my favourites: I look forward to hearing what your favourite subjects are! We have some amazing topics ready for your time in Year 5; I hope you will have as much fun learning through them as I will have teaching them to you.

Want to know a little about me? I grew up in Romford and have lived there ever since! I attended Marshalls Park School for my GCSEs then Havering Sixth Form for my A-levels, before moving to Southampton for 3 years to complete my Biology degree. Now, I have been at Clockhouse since 2020. When I am not planning awesome things for us to do in school I like to spend my time with my family and friends, reading, drawing, watching movies and going on walks in the countryside!

Teacher Favourites:

Colour: Dark green.

Food: Pizza.

Wild Animal: Owls.

Domestic Animal: Cats.

Chocolate: Terry's Chocolate Orange.

Movie: Harry Potter.

Book growing up: How to Train Your Dragon.

Hobbies: Reading, walking, watching movies.

I think it is very important to work together as a team. We will be spending a lot of time together so it is important to treat each other with respect, kindness and compassion. I am looking forward to getting to know all of you again and seeing how far you've come since Year 3! We'll tackle the challenges together, as well as enjoying all of the truly exciting things we have in store for us!

If you have any questions before September or just want to share any information please do not hesitate to contact me via the dojo.

Have a great Summer!

Mr Hurdle
