

Welcome to Year 1

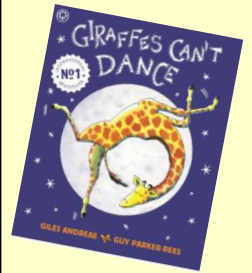

Hello Scotland! This is Miss Kearns writing to you from France. I was thrilled to hear that you will all be in my class when we return to school in September! It is going to be a year of fun, learning and lots of adventures! I cannot wait to see what the year has in store for us!

Want to know a little about me?

I grew up in Hornchurch before moving to North Devon when I was 10. I attended Bideford College where I completed my GCSE's and A levels before moving back to Hornchurch to complete my teacher training at Chelmsford APU.

I have been teaching at Clockhouse for 25 years and I love teaching in our wonderful school. Whilst I have been teaching in Year 6 for the last 15 years, I have taught in all year groups and I cannot wait to get to teach all of you next year.

When I am not planning awesome things for us to do in school, I like to spend my time with my family and friends, reading and going to the

My Favourites:

I think it is very important to work together as a team within the classroom. We will be spending a lot of time together so it is important to treat each other with respect, kindness and compassion. I am looking forward to getting to know all of you individually and helping you grow as a learner and as a person of good character. I am excited for September and all the new adventures we will have together! ☺ ☺ ☺

If you have any questions before September (or just want to share any information), please do not hesitate to contact me via the dojo.

Have a great Summer!
