

Welcome to Canada!

Hello everyone! My name is Mrs Chard and together we are Canada! I can't wait to be your new teacher in September and I'm looking forward to getting to know you all. We have lots of exciting things planned for you so let's work together, learn and have fun!

This is my 10th year teaching and I love teaching KS1. Year 2 is a really exciting and special year and I feel privileged to be able to experience it with you all. I love teaching all subjects, though English, History and Art are my favourites. I look forward to hearing what your favourite subjects are.

A little bit about me!

I have always wanted to be a teacher since I was little and teaching is my passion. I am a Mum to two amazing boys, who I love spending time with and taking on fun days out! I also love shopping! I can often be found in the local shopping centre searching for new shoes or bags. I enjoy reading with a Costa Coffee in my spare time!
