

WELCOME TO YEAR 5!

About Me

Hello South Africa and welcome into Team China! I am thrilled to be your Year 5 teacher. This will be my fourth year at Clockhouse and second year teaching Year 5. We certainly have an exciting year ahead!

Condoover!

Next year...

I believe that in our classroom, working together as a team is key. We should leave everyday feeling proud and happy with what we have achieved. Most importantly, I will be promoting showing kindness in all that we do.

My favourite Year 5 memories have to be our Condoover Hall residential and space topic!

I wish you all a restful and joyful summer break.

See you in September!
