120 BOOKS TO READ BEFORE YOU LEAVE CLOCKHOUSE PRIMARY SCHOOL

Each year group has been given 15 different books, including fiction, non-fiction and poetry books.

Some books link to the topics children will be focusing on this year, some will be used as part of their English learning, and some have been chosen because we think the children will enjoy reading them.

Each child has been given a reading tracker booklet. When they have read one of the books, their teacher will tick it off.

Children who read...

5 books = Bronze certificate

10 books = Silver certificate

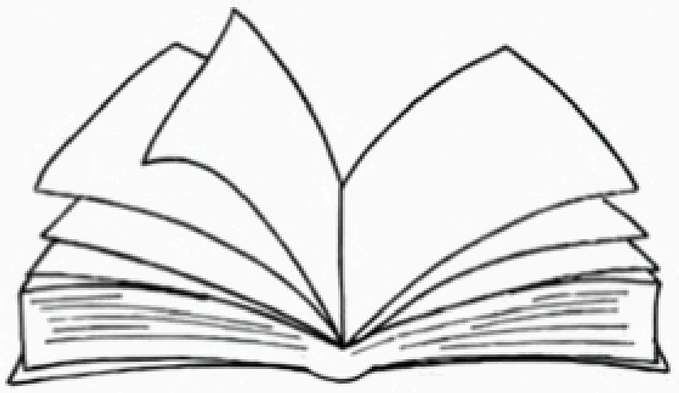

15 books = Gold certificate.

Children will be awarded their certificates during a reading assembly on a Friday.

The children will be given lots of opportunity to read these books in school from reading it as their class novel to choosing it in the School Library. However, you can also help by encouraging children to read these books at home by visiting the local library or including them in birthday or Christmas gifts. when you do read a book at home with your child, please dojo the Class Teacher and they will tick it off the tracker.
