

# EYFS at Clockhouse

## Nursery

In Nursery the children have been exploring the books 'Goldilocks and the Three Bears', 'The Birthday Invitation' and 'The Christmas Story'.

Our vision for EYFS is:

*To create a happy, exciting and vibrant learning environment where children can explore and develop a love of learning.*

In Maths, Nursery have been learning number rhymes, practising counting objects to 5 accurately and naming 2D shapes.

## Reception

In Reception the children have been looking at the books 'Elmer', 'Oi frog' and 'Kipper's Birthday'.

In maths, Reception have been exploring the compositions of numbers to 5, subitising and looking at patterns.

# Understanding the World

We have been practising developing our fine and gross motor skills through our PE lessons and through our active play!

# Physical

We have been using our creative skills to role play, create imaginary games, make up songs and dances, paint and junk model our ideas. We love using the large construction materials to build models!

We have been using our role play areas to develop our language and communication skills through the books that we have been reading.

# Creative

We have been learning how to become more independent, how to be kind to others and include everybody in our play.

# Communication and Language
