What's been
happening
this term?

This term has been a very exciting term yet again at Clockhouse!
There have been lots of exciting trips, hands on learning
opportunities and challenging enquiry questions.

Our golden threads help us to link our learning!

Who changed the world?

Why does the world look the way it does?

In Year 1 the children have been learning about seashores in the past and how the Victorians started visiting the seashore. They were surprised about how their outfits changed and how different the entertainment was,

I like though Punch and Judy was really funny! I wouldn't want to wear all those clothes to swim though.

I like it best when we get to look at sources and we have to think about what they tell us, like when we pretended to spy on a castle to invade it.

In Year 2 the children have learnt all about castles. They have learnt about the Battle of Hastings, William the Conqueror and how he brought castles to Britain. They have looked at how castles changed through time and thought about the most strategic place to build a castle. They also loved getting to visit a real castle in Colchester!

In Year 5 they have been all about The Victorians!

They couldn't believe how many things began or were invented during this period, including phones, electric lights, football leagues, libraries and local police forces including the

They also enjoyed a visit to Ragged school to learn more about the lives of children.

I love it when we get to use sources and research to answer historical questions!
