

Our Clockhouse Association in

partnership with **KEYSTONES** PROPERTY

Our Clockhouse Association's aim is to give back as much as possible to the whole Clockhouse family. By hosting all the upcoming events and more in the future, the monies raised will be enhancing the education of our children as well as supporting the extra curricular standards of our school.

We would all like to thank all the parents and children for their support at our sweet stalls we held on 31st January.

Hello my name is Mrs Reinecke and I have been part of the Clockhouse family for a mere 3 months as Deputy Headteacher. However Clockhouse has already warmed my heart. I have chosen to support OCA to give back to the whole community and to be another branch in the Clockhouse family tree.

Hello, I am Mr Koten, I have worked at Clockhouse for almost 5 years. I decided to help rebrand the previous Parents Association and I am now proud to be the chair of Our Clockhouse Association. Our aim is to continue to build the idea of Clockhouse being a family and a home to all, by organising events that involve the whole Clockhouse Community as well as the community of Collier Row.

Hello, I am Miss Jones, I have been a proud member of the Clockhouse team for 7 years now. I have seen the children grow and the school evolve as a family at the centre of the Collier Row Community throughout the years. I have joined OCA this year as I would like to have a further part in helping the school grow as a community and a family. I am looking forward to helping organise and host events that will bring us closer together and help the children learn in a fun and exciting way.

Hi, I am Wendy Lowe, I have recently joined Clockhouse Primary School as the School Business Manager. As OCA is new and so am I, I am very much interested in watching us grow, work and raise as much as we can for our school. I look forward to being part of many events we have planned and meeting lots of new people.

Hello, I am Claire Roberts. I joined OCA because I wanted to continue the brilliant work the previous Parents Association members did and to ensure future fundraising events continue for the school. I have 3 children all currently at Clockhouse and feel the Parents Association brings the school community together and helps support the school and the children of Clockhouse.

Hi, I am Gemma Taylor. I have 3 children at Clockhouse and have joined OCA to help bring school and home closer together. I am looking forward to our future events, raising money for our school and children, and having fun along the way.

As you all know, I am lucky enough to be the Headteacher of our fabulous school. I am absolutely delighted the we have established our brand new Our Clockhouse Association following the success of the last Parent's Association. This is great for our community and our children and I thoroughly look forward to working with them. I urge you to support them and thank you in advance for doing so.

Left to right: Miss Jones, Scott Jay, Claire Roberts, Mrs Reinecke, Kay Creamer, Mrs Savidge, Mrs Lowe, Gemma Taylor, Mr Koten.

24th April—Movie Night

19th June—Fathers Day

11th July—Summer Fete

Information for tickets for future events will follow.

Our vision for Keystones is to get involved in our community a lot more and give back. Our local community has blessed our business, so I believe we have a responsibility to return the favour and bless our local community. Working with Clockhouse Primary School is exciting for us. We get an opportunity as a local business to help the generation of the future.

Hi, I am Kay Creamer, I have 2 boys who attend Clockhouse. I have joined OCA as I would like to help give a little bit back to the school who have helped my boys grow, and the community.
