

# Meet the teacher

## Miss Kenealy

Hi! My name is Miss Kenealy (keh-nee-lee) and I am really excited to be your teacher next year. It will be my first year teaching at Clockhouse, but not my first time here as this was also my primary school! I have heard so many great things about your class and cannot wait to learn more about you.

### QUICK FACTS

- I have been a PE teacher, HLTA and a class teacher (I have taught Year 3, 4 and 6).
- I love watching Formula 1.
- I know how to SCUBA dive!
- I love listening to music and having a class playlist!
- My favourite lessons are reading and PE

I went to school here at Clockhouse from Nursery to Year 6 – I then went on to Frances Bardsley before college and University. I have always lived in or near Collier Row. Most importantly, I love helping others to learn new things!
