It is going to be a year of fun, learning and lots of adventures!

I have enjoyed working in Year 3 for 2 years and I cannot wait to join you in Year 4! We will have a very exciting year!

I believe that having fun and exciting opportunities is fundamental to the learning process. The Clockhouse values are extremely important within the classroom and will be used every day to promote holistic learning and development. I am looking forward to getting to know you individually and to start our adventure in Year 4.

If you have any questions about Year 4, please send me a message on the Dojo.

Have an amazing summer!

Miss Thompson.
