

Welcome to Year 3!

Hello everybody! This is Mrs Fletcher and Mrs Quin! We are super excited to be your year 3 teachers in September this year. You were in class Canada this year but next year we are all going to be learning lots of new and exciting things in our class Brazil. Did you know Brazil is known for its vibrant culture, carnivals and world class football?

We might have taught some of your older siblings. Here is some information about us so that you are a little more familiar with both of us when we meet again in September.

Mrs Fletcher: I have been a teacher at Clockhouse Primary School for 23 years! I have taught in both Key Stages and have taught Year 3 many times. I am excited to be in this year group because I love the topics we do. I love teaching about the Stone Age and finding out about different earthquakes and volcanoes. We also go on some amazing trips. I have a daughter who is 9 years old. She goes to our local village school and is excited to be going into Year 5. Like you, I used to live in Collier Row. I now live in Kelvedon Hatch. I love teaching at Clockhouse. It really is like a family. I will teach you on a Monday, Wednesday, Thursday and Friday.

Mrs Quin: I will be joining Clockhouse Primary School in September as deputy SENCo on a Monday and Wednesday (working alongside Miss Ward) and teaching you in Brazil on a Tuesday. I previously worked at a school in Newham where I taught for 7 years. I have taught in both Key Stage 1 and Key Stage 2 and worked as a SENCo. I am super excited to be joining the Clockhouse family and getting to know you all. I have recently had a daughter; she is almost 9 months old. I am originally from Devon but now live in Havering like you. I look forward to seeing you all in September.
