Class Japan (soon to be New Zealand), I am so looking forward to an exciting year ahead. We have lots of new exciting adventures and experiences planned and I cannot wait for a year filled with fun, laughter and opportunities. I've really enjoyed getting to know you so far and can't wait for September! Let's make it the best year yet!

Here's a little bit of information about me! I joined Clockhouse in December 2014 as a trainee teacher and worked in Year 3. I then started as a teacher in Year 4 before moving to Year 6 for three years. I then taught in Year 5 before I made my big move to Dubai! For two years, I was lucky enough to teach in an international school in Dubai where I taught children from all over the world. During this time, I had the opportunity to travel to exciting places such as Sri Lanka, the UAE and Thailand, which really sparked my love for travelling. Dubai remains very close to my heart, and I continue to visit regularly to see friends and spend time with my brother.
