

meet the TEACHER

About me!

My name is Miss McCarthy, and I am so excited to be your teacher this year! This is my very first year teaching, which makes this class incredibly special to me. We get to learn and grow together, and I can't wait to create a classroom where you feel supported, challenged, and proud of what you accomplish. I believe learning should be fun, creative, and full of moments that make you say, "Wow, I did that!" When I'm not in the classroom, I enjoy reading, travelling, and going to the theatre.

Our class

Next year, I hope our classroom is filled with laughter, learning, and excitement. I want us to create a space where we are kind, respectful, and always ready to support one another, both inside and beyond the classroom walls.

Education

I grew up in Hornchurch and went to Emerson Park Academy. I later studied at Liverpool Hope University, which was especially meaningful because it kept me close to my family and friends in Liverpool. After finishing my degree, I returned home and completed my teacher training through Bath Spa University. My time in real classrooms there confirmed that teaching is exactly where I'm meant to be.
