

CLOCKHOUSE PRIMARY SCHOOL

FOOD AND ALLERGIES

Dear Parents / Carers

As a school we use an online system for ordering school meals. This is called ParentPay.

As part of the ParentPay system we need to ensure that we have all of your child's allergies and choice of lifestyle diet on our ParentPay system to ensure that critical errors are not made.

Therefore, please can we ask that you complete the attached form by ticking all those that apply to your child. If there are any allergies that are not listed please add these in the box marked other. It is important that the attached form is completed accurately for **every child at school**, therefore can we kindly ask that even if the dietary choices are not applicable to your child you tick "None of the above".

Once your child starts school you will receive a personalised ParentPay activation letter. Please follow the instructions on the letter when you receive it and if you have any questions or require further assistance contact the school office.

Please also be aware that from time to time our children participate in food tasting activities. We will inform you of this in advance but please also complete this part of the form.

Thank you in advance for your ongoing support.

Yours sincerely

Mrs J Savidge

Dietary Requirements

14 EU Allergies	Please tick
